FOREIGN SECURITIES IN RUSSIA: PLACEMENT & CIRCULATION

Moscow, World Trade Center, 26 March 2010

Foreign Securities In Russia '10 PARTNERSHIP OPPORTUNITIES

Dear Sir/Madam:

Below you will find a variety of partnership opportunities and presence enhancers the Organisers of the Foreign Securities In Russia '10 International Conference offer to all interested parties.

Foreign Securities In Russia '10 (FSIR '10) is a unique event organised by MFC Institute and National League of Management Companies with a strong support of the Federal Service for Financial Markets, the Russian securities market watchdog, where representatives of business, government and self-regulatory bodies will get together to discuss the breakthrough amendments to the Russian Securities Law that set up legal framework for foreign securities placement and circulation in Russia.

FSIR '10 Partners will have an opportunity to both promote their business to the securities market and investment community and make important contacts that will help them to establish themselves at the market.

If you choose to become our Partner, please feel free to contact the office of our Strategic Partner in Cyprus **WBL Systems Ltd.** that coordinates the work with foreign Partners and participants:

Telephone: +357 2534 6064

Telefax: +357 2534 6064

E-mail: strategy@wbl-systems.com

Contact Person: Mr. Denis Sureyev, Director

Detailed information on the Conference is herewith attached. It is also available at the FSIR '10 website at http://www.educenter.ru/conf/securities_eng

We look forward to welcome you at our event!

Best Regards,

Petr Kiryukhov, PhD

Co-Chairman, Conference Organising Committee
